## Street Opening in Keystone is Great Success

### Community Welcomes Many Visitors Saturday for Program

KEystone.—Several thousand people were present Saturday night at the gala event staged here by the Keystone Chamber of Commerce as a celebration of the opening of Main street following the paving of the boulevard from the Wilmington boundary line to Carson street. Vari-colored flags waved in the air and lights were strung across the highway in front of Booster's hall, where the program was given following the parade. Bands, drill teams, fire and drum corps all dressed in their uniforms gave color to the procession as well as the prettily decorated cars bearing members of the different organizations here.

Russell Ellis, chairman of the program, greeted the large gathering and presented an interesting program by the Al Borak Temple No. 75. Dramatic Knights of Khorassan, the Compton municipal band, Charles A. Bruze, president of the chamber, in a short address of welcome to the people of Keystone and their neighbors from surrounding communities; Supervisor John R. Quinn, who congratulated the Keystoneers upon the completion of the highway and the enthusiasm demonstrated here; drill work and musical selections by the Gardena Valley drum, fire and bugle corps; silent drill work by the Pythian Sisters degree team from the Long Beach chapter No. 62; W. Rufus Fage, president of the Torrance Chamber of Commerce, spoke briefly on the development of the harbor district commercially and industrially within the past few years. Lieutenant Governor-elect Frank Merriam of Long Beach, christened the highway, dedicating it to the people of Keystone and their neighbors who would make use of this artery to the harbor district. A comic skit imitating the Two Black Crows was given by Joshua, Elijah and Benjamin Agajanian of San Pedro, and the combined drill teams of the Knights of Khorassan and the Pythian Sisters gave drills. Shirey's orchestra from Royal Palms furnished music for street dancing. Refreshments were served in Booster's hall to the guests of the evening.

### Elks Charity Ball is Tomorrow Night

That the grand charity ball to be given at the Mandarin ballroom, Redondo Beach, Friday, November 14, under the auspices of Elks Lodge No. 1378, will be a star event, is assured by the interest shown by the large advance sale of tickets. The annual charity ball is the biggest charity event in the South Bay district. The entire proceeds will be distributed among the poor in Torrance, Redondo, Hermosa, El Segundo and Gardena, and outlying points. This is the territory included in the jurisdiction of Lodge No. 1378 of the B. P. O. Elks.

Aside from the humanitarian work to be accomplished as a result of the ball, at Christmas time, the affair promises to be a social plum. The commodious Mandarin ballroom will be the scene of the fun-making Friday evening. No efforts are being spared to festoon and decorate the scene of the dance in a manner befitting the occasion.

### Drum Corps to Give Public Card Party

A card party which the public is cordially invited to attend will be given by the Torrance American Legion Drum Corps Wednesday evening, November 13, at the club house on Carson street.

Part of the proceeds will be given to the Torrance Relief Society to help in caring for indigent families. It is announced.
